Is attached. Some of this likely is not available, but I figured better to ask than not. Have not yet sent this out, but will do so from home tomorrow afternoon.

The economics staff at PPA pulled this together and will help analyze the submissions.

I will also ask for maps of each monument and gps coordinates.

Micah is changing the letter to the Hill for the Secretary's signature.

And after thinks about for a while as I tried to find him, I took the liberty of suggesting that he ask that Congressional comments come to him, rather than me, in that sending them to OCL is the traditional way to do that. I also suggested that he bring the letter to you first, so if you still want comments to come to me it can easily be changed back
